RE: The channels of reporting fraudulent and Corrupt Activities

The City of Johannesburg has a **zero-tolerance approach to Fraud, Theft, Corruption, Maladministration, and Collusion** by suppliers with employees. To reinforce this commitment, more channels have been added to report any Fraudulent and Corrupt activities.

Instances of corporate fraud and misconduct remain a constant threat to service delivery. The City of Johannesburg took a resolution to adopt strategic interventions aimed at combatting fraud and corruption. The City took a decision to centralized the reporting of fraudulent and corrupt activities through the establishment of an independent fraud hotline which is managed by independent bidders.

All people doing business with the Johannesburg Development Agency are encouraged to report any corrupt or illegal practice.

Employees are encouraged to report fraud, waste or other concerns suggestive of dishonest or illegal activities.

Anyone can report fraudulent and corrupt activities through one of the following channels:

- Toll free Fax0800 007 788
- SMS (charged @ R1.50)...... 32840
- Email Address.....anticorruption@tip-offs.com
- Web site.....www.tip-off.com
- Free post..... Free post, KNZ 138, Umhlanga, 4320

Let's join hands to take up the Fight against Fraud and Corruption in our society.

1. INTRODUCTION

JDA background

The Johannesburg Development Agency is a City of Johannesburg owned entity and plays a critical role as an area-based agency and implementing agent for the implementation of capital expenditure for multiple city departments. Once appointed, into the panel, members will be invited to submit quotations in response to a specific scope of work, as and when the JDA requires such services.

JDA's Development Outcomes

What we aim to achieve:	JDA is a city development agency of the City of Johannesburg that manages and facilitates area based developments in efficient and innovative ways to build an equitable, sustainable and resilient city.
How we operate:	Employing sustainable and resilient city strategies in strategic neighborhoods to transform the space economy in the City Region
Guiding Principles	Strategic Mid-Term Objectives
Create great places	Restructure the city by developing defined, strategic geographic areas around the city and the movement corridors that link them. Encourage sustainable energy consumption and land-use in thecity by developing strategic transit nodes and corridors.
Catalyse growth and investment	Promote economic growth by creating efficient and competitive business environments that cluster industries and functions inthese areas. Turn around declining investment trends in these areas by upgrading public space, generating shared visions for future development, and encouraging urban management partnerships.
Connect people to opportunities	Develop local economic potential in marginalised areas topromote access to jobs and markets. Promote economic empowerment through the structuring and procurement of JDA developments.
Co-produce solutions	Support productive development partnerships and co-operation between all stakeholders in these areas.
<u>C</u> ontinuously improve	To strengthen and improve the JDA's corporate governance and operations to ensure that it remains an effective, efficient, sustainable and well-governed organisation

2. PURPOSE OF ESTABLISHING THIS PANEL

The JDA has a long legacy of implementing public artworks on behalfof the City of Joburg and continuous to sustain its commitment to such programmes in a way that must extend and deepen community-led co-production. To continue to work with communities to achieve our mandate as an area-based development agency, the JDA is establishing a panel of artists in the following categories ; Panting ;Sculpture, Photography, Mixed Media, Print and Paper cut.

This 3-year community-led art programme is intended to align with the City of Joburg's spatial and development priorities by augmenting the capital upgrading and redevelopment projects being rolled out in priority areas.

The Johannesburg Development Agency (JDA therefore requests interested emerging artists in the forementioned categories to submit proposals to be considered as part of the panel. Deliverables will be requested through a Request For Quotations (RFQ) onlywhen services are required.

Panel appointees are required to curate and implement an end-to-end immersive community-led process for the JDA. This will - at a minimum - include:

9.3 Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts for individual professional service providers (e.g. project managers / engineers / quantity surveyors / consultants) is either:

The greater of R8 million or four contracts / projects in the current financial year or The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year)

And in instances where the value of contracts for public art professional service providers (e.g. morethan one discipline / service is provided by the same bidder) is either:

The greater of R12 million or six contracts / projects in the current financial year or The greater of R20 million or nine contracts / projects over two financial years (current year and previous financial year) A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.
