The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer's BBBEE status. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

The below will apply to the services required for this project (80:20)

- For tenders up to R 50 million
 - 80 points are assigned to price
 - Up to 20 points are assigned to BBBEE status per the table under item 7.3.1

- 7.3.1.2 Tenderers must submit their original and valid B-BBEE status level verification certificate substantiating their B-BBEE rating. - Annual Turnover Revenue of R10 million or less; and
 - Level of Black ownership
 - Any misrepresentation in terms of bullet point above constitutes a criminal offence as set out in the B-BBEE Act as amended.

- 7.3.1.10 No tender will be awarded to a bidder who is not registered on CSD.

Where

P_s = Points scored for comparative price of tender under consideration

P_t = Comparative price of tender under consideration

P_{min} = Comparative price of lowest acceptable tender

X = Points assigned to price

7.3.3 The total preference points for a tender are calculated with the formula

PP = P_s + P_{bee} Where

PP is the total number of preference points scored by the tenderer

P_s is the points scored for the comparative price of the tenderer, and

P_{bee} is the number of points awarded to the tenderer based on his certified B-BBEE status level

7.4 Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts for **individual** professional service providers (e.g. project managers / engineers / quantity surveyors / consultants) is either:

1. The greater of R8 million or four contracts / projects in the current financial year or
2. The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year)

And in instances where the value of contracts for **multi-disciplinary** professional service provider (e.g. more than one discipline / service is provided by the same bidder) is either:

3. The greater of R12 million or six contracts / projects in the current financial year or
4. The greater of R20 million or nine contracts / projects over two financial years (current year and previous financial year)

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

8. CLOSING DATE, TIME AND VENUE FOR SUBMISSIONS
