The Bertrams Priority Block is bordered by Berea Road to the north, Liddle Road to the East, Bertrams Road to the West and Gordon Road to the South.

The aim of this block is to promote the consolidation and development of mixed income housing, increase densities along the BRT routes, stimulate investment and upgrade the existing social facilities within the area to support increased numbers of users. The block is strategically located along the main transportation routes and directly adjacent to existing and proposed housing projects.

The Bertrams Priority Block project is part of the Bertrams Neighbourhood Improvement Strategy which enables large scale redevelopment so as to encourage higher densities for good quality affordable housing with managed open spaces.
