RE: The channels of reporting fraudulent and Corrupt Activities

The City of Johannesburg has a **zero-tolerance approach to Fraud, Theft, Corruption, Maladministration, and Collusion** by suppliers with employees.

To reinforce this commitment, more channels have been added to report any Fraudulent and Corrupt activities.

Instances of corporate fraud and misconduct remain a constant threat to service delivery. The City of Johannesburg took a resolution to adopt strategic interventions aimed at combatting fraud and corruption.

The City took a decision to centralize the reporting of fraudulent and corrupt activities through the establishment of an independent fraud hotline which is managed by independent service providers.

All people doing business with the Johannesburg Development Agency are encouraged to report any corrupt or illegal practice.

Employees are encouraged to report fraud, waste or other concerns suggestive of dishonest or illegal activities.

Anyone can report fraudulent and corrupt activities through one of the following channels:

- Toll free number.....0800 002 587
- Toll free Fax0800 007 788
- SMS (charged @ R1.50).....32840
- Email Address:.....anticorruption@tip-offs.com
- Web site:.....www.tip-off.com
- Free post:.....Free post, KNZ 138, Umhlanga, 4320

Let's join hands to take up the Fight against Fraud and Corruption in our society.

1. **OVERVIEW**

The Johannesburg Development Agency is a City of Johannesburg owned entity and plays a critical role as an area-based agency and implementing agent for the implementation of capital expenditure for multiple City departments.

2. **BACKGROUND**

The City of Johannesburg's Transport Department has appointed the JDA to assist with the planning, design, and implementation of the Zola Public Transport Facility in Soweto. The proposed public transport facility is aimed for development in Zola which is located in Soweto approximately 20km west of the Johannesburg Central Business District (CBD). The Soweto Highway (M70) via Vincent Street (M72) and Chris Hani Road (M68) via Koma Road provide primary routes for commuters between Zola and Johannesburg.

In realizing the objectives as outlined, the JDA therefore requires additional professional services to address the scope of services as may be required for planning, design, and implementation of the public transport facility as identified above.

3. **PURPOSE OF THE RFQ**

The purpose of this RFQ is to appoint a professional Geotechnical Engineer to assist with geotechnical investigations and producing a geotechnical report that will be submitted to Geo-Data for consideration as part of planning studies required for the implementation of the proposed public transport facility.

4. **EXTENT OF THE WORKS**

The extent of the works will include the development of the new facility with the following elements:

- Rank Management Offices
- Loading bays
- Ablution Facilities
- Trading Areas
- Security Offices

5. **LOCATION**

The site is located in Soweto, Corner Jabavu and Maholwana Street on a portion of the Remainder of Farm Soweto 387 IQ.

Site Co-ordinates (Coordinates: 26°14'30.6"S, 27°50'23.8"E)

Figure 1: Site Map

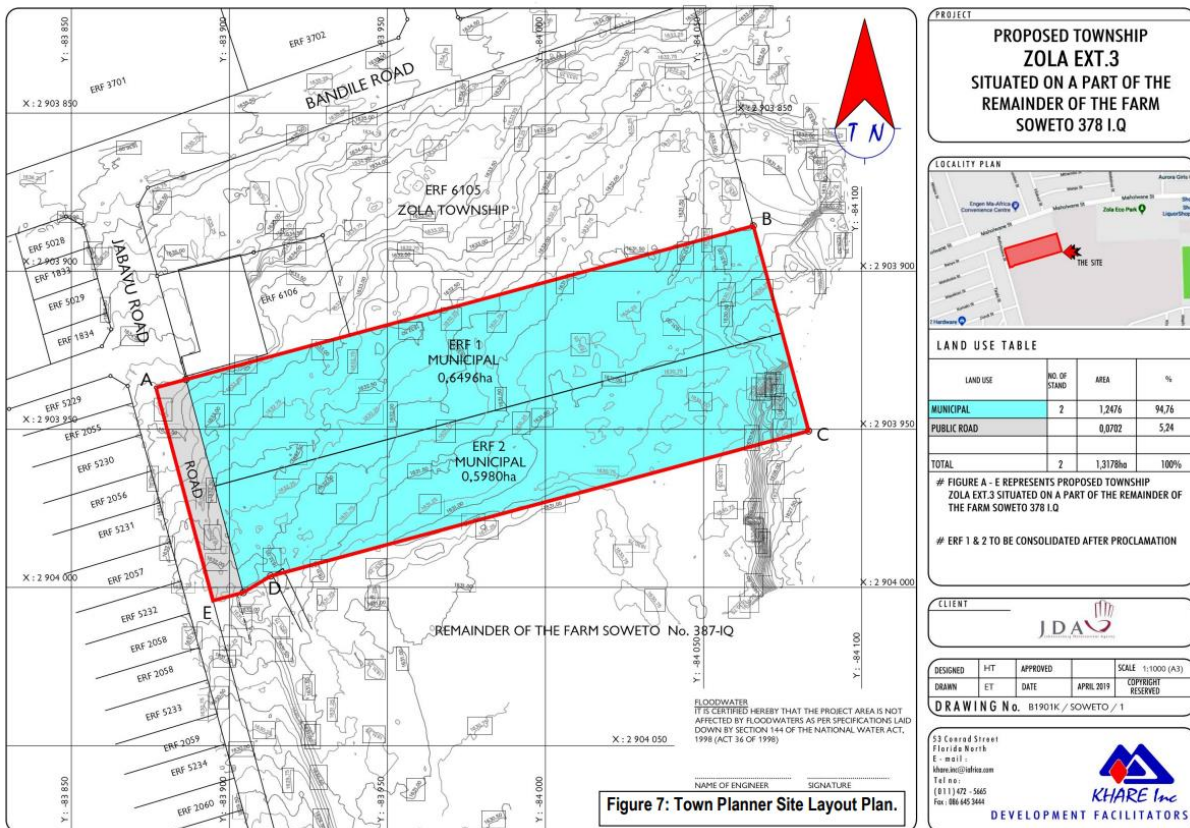

Figure 2: Site Layout Plan

6. STATUS QUO

The site is located at the corner of Maholwane Street and Jabavu Street in Soweto and is approximately 1,2 ha in size. Currently the site comprises of existing buildings which are in use but will have to be demolished to accommodate the new facility.

A township establishment application was submitted and approved however there is a need to undertake a geotechnical investigation of the entire site prior to opening of the township register, and such study to be submitted to Geo-Data for consideration before construction can commence.

7. SCOPE OF WORKS

The Scope of Works includes, the planning, design and implementation of Zola Public Transport Facility.

7.1 THE DETAILED GEOTECHNICAL ENGINEERING INVESTIGATION WILL BE CARRIED OUT AS PER THE FOLLOWING SCOPE OF WORKS:

- a) Evaluation of material from test pits to include:
 - Soil Profiles and trial pit logs and interpretation.
 - Test pits to be done on a grid that covers the entire investigated interest site area.
 - Test pits must be to a minimum depth of 1.5 metres or to the maximum reach of the TLB arm or to refusal.
 - A minimum of five (5) boreholes to be drilled to a minimum depth of 5m around the buildings proposed for the facility with Standard Penetration Tests (SPTs) taken at this site.
 - Test results and interpretation
 - Foundation Indicators
 - Sieve analysis per identified layer
 - Ground slope stability, collapse potential, swell tests.
 - Excavatability of ground
 - Potential expansiveness
 - Geohydrology conditions
 - Fill Suitability, Expansiveness, and Erodibility
 - The type of foundation system must be recommended in the report.
 - Bearing capacity at the foundation strata with the permissible settlement

All field investigation shall be undertaken under strict supervision of a Professionally Registered Geotechnical Engineer.

7.2 GEOTECHNICAL REPORT

7.2.1 Report Content

Based on the investigation as illustrated above and the soil classification parameters, the report shall discuss the assessment of the following geotechnical characteristics but not limited to:

- i. Existing geotechnical (e.g. surface and subsurface) conditions of the site.
- ii. Laboratory test samples of the existing site surface should be taken at the intervals specified.
- iii. Subsurface (substrata) exploration logs, location of exploration points, soil bearing capacity, etc. and recommendations.
- iv. Conducting all field and laboratory tests for determining the strength and compressibility characteristics of the soil.

13. PRICE AND EMPOWERMENT

The Preference Point System will be applied as follows:

- 80 points are assigned to price
- Up to 20 points are assigned to BBBEE status per the table under item 6

The total preference points for a tender are calculated with the formula

PP = P_s + P_{bee} Where

PP is the total number of preference points scored by the tenderer.

P_s is the points scored for the comparative price of the tenderer, and

P_{bee} is the number of points awarded to the tenderer based on his certified B-BBEE status level.

Formula for scoring tender price.

The following formula will be used to calculate the points for price.

$$P_s = X \left[1 - \frac{(P_t - P_{min})}{P_{min}} \right]$$

Where

P_s = Points scored for comparative price of tender under consideration

P_t = Comparative price of tender under consideration

P_{min} = Comparative price of lowest acceptable tender

X = Points assigned to price

Preference points shall be based on the Specific Goal as per below:

Table B1: Awards UP TO R50 mil (VAT Inclusive)

FORM H: CONSENT AND ACKNOWLEDGMENTS IN TERMS OF THE PROTECTION OF PERSONAL INFORMATION ACT 2013 (POPI)

This section sets out how personal information will be collected, used and protected by Johannesburg Development Agency hereinafter referred to as “JDA”, as required by the Protection of Personal Information Act. The use of the words “the individual” for the purposes of this document shall be a reference to any individual (bidder) communicating with JDA and/or concluding any agreement, registration or application, with the inclusion of each of those individuals referred to or included in terms of such agreement, registration or application.

1. What is personal information?

The personal information that JDA requires relate to names and surnames, birth dates, identity numbers, passport numbers, demographic information, education information, occupation information, health information, addresses, memberships, personal and work email and contact details.

2. What is the purpose of the collection, use and disclosure (the processing) of personal information?

JDA is legally obligated to collect, use and disclose personal information for the purposes of:

- reporting initiatives to the City of Johannesburg Municipality;
- reporting to National Treasury all contracts awarded;
- obtaining information related to Tax Compliance information from SARS;
- verifying information on the National Treasury database of defaulters;
- evaluating and processing applications for registration on the database;
- compiling statistics and other reports;
- providing personalised communications;
- complying with the law; and/or
- for a purpose that is ancillary to the above and as may be directed by our POPI manual/Policy. Personal information will not be processed for a purpose other than what is identified (the purpose) above without obtaining consent beforehand.

3. How will JDA process personal information?

JDA will only collect personal information for the purpose as stated above and for such specific purpose. Information will be collected in the following manner:

- directly from the individual;
- from service providers who provided with services or goods to JDA;
- from JDA’s own records relating to previous supply of services or goods; and/or

- from a relevant public or equivalent entity.

4. To whom will personal information be disclosed?

The personal information may be disclosed to other relevant public or other entities on whose behalf we act as intermediaries, other third parties referred to above in relation to the purpose or who are sources of personal information, service providers such as professional bodies who operate across the borders of this country (transborder flow of information) where personal information must be sent in order to provide the information and/or services and/or benefits requested or applied for. In the event of another party/ies acquiring all of or a portion of JDA's mandate or functions, personal information will be disclosed to that party but they will equally be obliged as we are, to protect personal information in terms of this policy and the law.

5. Consent and Permission to process personal information:

I hereby agree with the policy and provide authorisation to JDA to process the personal information provided for the purpose stated:

- I understand that withholding of or failure to disclose personal information will result in JDA being unable to perform its functions and/or any services or benefits I may require from JDA.
- Where I shared personal information of individuals other than myself with JDA, I hereby provide consent on their behalf to the collection, use and disclosure of their personal information in terms of this personal information policy and I warrant that I am authorised to give this consent on their behalf.
- To this end, I indemnify and hold JDA not responsible in respect of any claims by any other person on whose behalf I have consented, against JDA should they claim that I was not so authorised.
- I understand that in terms of POPIA and other laws of the country, there are instances where my express consent is not necessary in order to permit the processing of personal information, which may be related to police investigations, litigation or when personal information is publicly available.
- I will not hold JDA responsible for any improper or unauthorised use of personal information that is beyond its reasonable control.

6. Rights regarding the processing of personal information:

- The individual may withdraw consent to the processing of personal information at any time, and should they wish to do so, must provide JDA with reasonable notice to this effect. Please note that withdrawal of consent is still subject to the terms and conditions of any contract that is in place. Should the withdrawal of consent result in the interference of legal obligations, then such withdrawal will only be effective if JDA agrees to same in writing. JDA specifically draws to the

attention that the withdrawal of consent may result in it being unable to provide the requested information and/or services and/or financial or other benefits.

- In order to withdraw consent, please contact the JDA Information Officer/SCM
- A copy of the full JDA policy is available.
- Individuals are encouraged to ensure that where personal information has changed in any respect to notify JDA so that our records may be updated. JDA will largely rely on the individual to ensure that personal information is correct and accurate.
- The individual has the right to access their personal information that JDA may have in its possession and are entitled to request the identity of which third parties have received and/or processed personal information for the purpose. Please note however, that any request in this regard may be declined if:
 - the information comes under legal privilege in the course of litigation,
 - the disclosure of personal information in the form that it is processed may result in the disclosure of confidential or proprietary information,
 - giving access may cause a third party to refuse to provide similar information to JDA,
 - the information was collected in furtherance of an investigation or legal dispute, instituted or being contemplated,
 - the information as it is disclosed may result in the disclosure of another person's information,
 - the information contains an opinion about another person and that person has not consented, and/or
 - the disclosure is prohibited by law.

7. Queries relating to breach of personal information:

- Please submit queries relating to the breach of personal information to the JDA's information officer and SCM in writing as soon as the breach is discovered.
