JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

**Over and above the number of projects and values, bidders will be further evaluated on commercial risks which will included but limited to the following: Financial capability to undertake the project such as capital required to implement the project in line with CIDBs, poor performance on previous projects, available resources for the project, unduly high or unduly low tendered rates, significant arithmetical errors and omissions in the tender offer**
