

Tender Notice and Invitation to Tender

CONSTRUCTION OF ORLANDO NON-MOTORISED TRANSPORT ROUTE (NMT) PHASE 2

Contract No: JDA CN OTR 002 (BMZ No. 2008 65949)

The City of Johannesburg as one of the beneficiaries of the NMT (Non-Motorised Transport) grant by the German Development Bank (KfW) for the implementation of a sustainable NMT network in portions of Orlando in Soweto. The City aims to connect the phase 1 NMT infrastructure with public amenities such as Soweto University of Johannesburg (UJ) Campus, Maponya Mall precinct, Mofolo NMT infrastructure and others. The primary objective of the precinct is to create a more liveable neighbourhood that creates high quality NMT links, to develop community infrastructure and to implement improved security measures in Soweto, South of Johannesburg.

The project entails the:

- Re-alignment of roads at Chris Hani Road bridge and Nicholas Street bridge
- The relocation and optimisation of existing traffic signals at various intersections in Chris Hani Road and Nicholas Street
- Relocation of existing services along Chris Hani Road and Nicholas streets
- Relocation of existing trees along the NMT Route
- The renovation of certain pavement areas, including islands at intersections, in order to provide safe crossing facilities for cyclists and pedestrians
- The provision of traffic accommodation as well as ancillary works; and
- The construction of additional sidewalks where there is no facilities and cycle lanes.

The successful bidder will be expected to manage the component of emerging sub-contractors who will be responsible for executing portions of the work. 30% of the work will be allocated to emerging EME OR QSE's. Tenderers should have a CIDB Contractor grading designation of **7CE or higher**. Joint ventures are eligible to submit tenders provided that they satisfy criteria stated in the Tender Data.
