**1. Overview**

The City of Johannesburg (COJ) continues to make substantial investment into the Inner City, as part of the implementation of the Inner City Roadmap (2014). The investments the City has been making in the Inner City are focused on the public space and streets aimed towards a liveable, walkable neighbourhood, with excellent public transportation, social infrastructure and open space.

The City has conducted key planning work for the Gandhi Square East precinct or the Village East Precinct. One of the key projects identified is the Main Street Pedestrianisation project. This project stems from the Inner City Traffic and Transportation Masterplan 2010; where the street was identified as a key east west pedestrian spine in the Inner City of Johannesburg. The street will form a critical safe route for pedestrians in the Inner City. Furthermore investments on Fox street are being made to create a J-Walk (Joburg Walk).

As part of ensuring activation and ongoing use of Main Street and Fox Street as a pedestrian spine in the Inner City, this particular project under the broader Village East Precinct initiative, aims to develop key mapping for Main Street and Fox Street pedestrian spine, mapping of key elements and the creation of graphic representation to share information in an exciting and innovative way. It is hoped that the map will have several audiences and uses, as indicated below (not limited to these audiences and uses, indicative at this stage):

Audiences	Uses
Pedestrians in the Inner City	Safe Route planning Access to amenities Access to Public Transport Facilities
Tourists	Safe Route planning Access to public art and heritage Access to amenities

The service provider will also be required to make 50 printed copies as part of demonstrating the printable nature of the document.

#### 5.1 Research for Mapping

The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

- For tenders below R50 million

  - Up to 20 points are assigned to BBBEE status per the table under item 7.3.1
- Points scored will be rounded off to the nearest 2 decimal places

#### 9.3.1 Points awarded for BBBEE status level
