- a. The greater of R8 million or four contracts / projects within a particular financial year or
- b. The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year);

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.
