Exciting and challenging position

The JDA is an agency of the City of Johannesburg which stimulates and supports area-based economic development initiatives throughout the Johannesburg metropolitan area in support of Joburg 2040. As the development facilitation manager of these initiatives, JDA coordinates and manages capital investment and other programmes involving both public and private sector stakeholders.

The following position is available for an achievement-oriented individual with initiative and a commitment to give substance to this vision.

This is a 12 months Fixed Term contract. JDA offers a market related salary commensurate with qualifications and experience.

Development Facilitation Manager

Purpose of the Position: To facilitate developments in priority areas of the City of Johannesburg as an area champion at the Johannesburg Development Agency. In particular to play a key role in planning, strategy and project readiness of key City of Johannesburg Initiatives using a co-production approach with local stakeholders.

Key Responsibilities: Unlock key land use and land availability issues for JDA projects including guiding service providers to resolve Township Establishments, Consolidations, Rezoning etc. Develop, conceptualise and identify project opportunities to ensure all development preparations along the identified Transit Corridors and other strategic priority areas are done and are in line with the City Council and the JDA's development policies and strategies.; Project manage key plans, feasibility studies and project preparatory reports required in your identified priority areas. Ensure that a proposed project is feasible and appropriate and that it can be successfully implemented. Identify and eliminate key risks at the earliest possible time. Maximise development opportunities by ensuring that projects are well conceptualised. Identify actions required to ensure that development objectives and outcomes are articulated and accepted by all area stakeholders and that stakeholders take responsibility for and take steps to achieve the common vision. Initiate and manage post-handover urban management partnership through the offices of the Regional Directors of city and through the management offices of existing and new City Improvement Districts. Perform such other tasks as may be instructed by the EM: Development Facilitation.

Education and experience required:

- Tertiary qualification in the Built Environment and/or Real Estate or similar;
- Valid Driver's Licence,
- Experience in Public Administration an advantage;
- Two years in a similar position with experience in dealing with Land Use Management issues;
- Incumbent needs to operate with a wide range of existing and future stakeholders in order to give effect to the positive implementation of the Transit Corridors and assigned areas.

Please email a detailed CV and copies of qualifications to: DFManager@jda.org.za
Closing date: 21 December 2018.

Correspondence will be with short-listed candidates only. Should you not hear from us within 30 days of the closing date, please consider your application unsuccessful.
