

CONTRACT No: JDA/066.02/CN002 for the PREQUALIFICATION REHABILITATION OF THE BRUMA LAKE

Emptying of the basin, control of the river flow through the basin and drying out of the sediment and sludge. Recovery of fill material from stockpile, mixing recovered soil with sediment and sludge from the dam basin to fill the basin. Demolition of part of the existing spillway and part of the concrete lining of the basin. Repair of the existing bridge over the spillway. Placing of a subsoil drainage layer below the fill in the basin. Forming an artificial channel and floodway within the basin fill and lining the channel with loose rock riprap. Construction of a concrete energy dissipation structure designed as an element of urban art at the upstream end of the basin. Shaping, landscaping and planting of the filled area and floodway to the specifications of the Landscape Architect. The river works should be completed by 30 September 2012, and the landscaping completed by 31 October 2012.

The Johannesburg Development Agency invites tenders for the rehabilitation of the Bruma Lake

It is estimated that the tenderers should have a CIDB contractor grading designation of 7CE or higher. Joint ventures are eligible to submit tenders provided that they satisfy criteria stated in the Tender Data.

Tenderers must be registered with the CIDB in a CE class of construction works.

Preferences are offered to tenderers who have the highest certified B-BBEE rating.

The physical address for collection of tender documents is:

Johannesburg Development Agency, The Bus Factory, 3 President Street, NEWTOWN, 2000

Documents may be collected during working hours after 12:00 noon from 13 April 2012

A non-refundable tender fee of R1000 must be deposited in the JDA bank account, ABSA Account No: 4054394825, Branch Code: 301305. Proof of payment is required on collection of the tender documents.

Queries relating to the issue of these documents may be addressed to Mr Chris Brooker of cba Specialist Engineers 011-465-0510 or 083-453-4645, or Ms Celestine Mouton of JDA (011) 688 78 51

A **compulsory** Site Clarification Meeting with representatives of the Employer will take place at the southern end of the Bruma Dam wall on Allum Road on **20 April 2012** starting at 11:00 hours.

The closing time for receipt of tenders is 12:00 hrs on the 16 May 2012. Telegraphic, telephonic, telex, facsimile, e-mail and late tenders will not be accepted.

Tenders must only be submitted on the tender documentation that is issued. The retyping of the tender document is not permitted.

Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data.

The JDA's selection of qualifying tenders will be at the JDA's sole discretion and will be final. The JDA does not bind itself to accept any particular tender. Correspondence will be entered into with the successful tenderer.
